

How To Find Diabetes WA and Where To Park

By Train

Subiaco Train Station is located in the heart of the Subiaco CBD providing a fast connection to both Fremantle and Perth.

Trains travel between Perth and Fremantle seven days a week, stopping at Subiaco every 15 minutes during the day and every 30 minutes during the evening until midnight.

During weekday peak hours, trains are as frequent as every 8–10 minutes.

By Bus

The Subiaco Shuttle runs every 15 minutes from 7am to 6.30pm on weekdays and every half hour on weekends. It connects Subiaco Train Station to the Rokeby Road Shopping Area.

A number of other bus routes run east west through Subiaco connecting to Perth and the Western Suburbs.

Parking

There are a number of short term and all day ticket parking options as indicated on the map.

Free short term parking exists along roadside verges in Subiaco ranging from 15 minutes to 2 hours in duration.
