

## Kellion Victory Medal

Every year Diabetes WA presents the Kellion Victory Medal to those who have lived with diabetes for **50 years or more (diagnosed in 1969 or earlier)**. This medal recognises both the achievements of living a fulfilling life with diabetes and inspires younger people to reach their potential. The next presentation function will be in July 2020.

In addition, the **Kellion Carers Award** recognises many years of love, dedication and support to a spouse, family member or close friend supporting the person living with diabetes.
