

MBS item claiming for multidisciplinary case conferences (MDCC)

Multidisciplinary case conferences can be pre-booked in **15-minute sessions** with a Diabetes WA Connect endocrinologist.

A Diabetes WA Connect educator will always be in attendance to ensure the requirement for a third formal care provider is met.

To book an MDCC please call 9436 6270 or visit diabeteswa.com.au/connect

No referral required. No cost to patient or practice. Multiple case conferences may also be booked in extended blocks or used as group learning sessions for multiple GPs.

Following the MDCC please forward a report to Diabetes WA Connect. **HealthLink EDI: DWATEL3H**

A multidisciplinary team requires the involvement of a minimum of 3 formal care providers.

The patient can be present or not.

Claim MBS 735 for conferences at **least 15 minutes** and **fewer than 20 minutes**.
