

GROW YOUR DIABETES VILLAGE

IT TAKES A VILLAGE TO LIVE WITH DIABETES

Life with diabetes can change over time. Sometimes you need practical advice, emotional support, help with medication, education, specialist guidance or someone to talk things through.

Diabetes WA is by your side with support, information and programs to help make life with diabetes easier.

SUPPORT CAN INCLUDE...

- **questions answered by diabetes health professionals**
- **practical education programs**
- **trusted medication information**
- **emotional wellbeing support**
- **telehealth support**
- **specialist diabetes care**
- **support through your GP**

WHEN DIABETES CHANGES, SUPPORT CAN TOO
Contact Diabetes WA for support, information and programs.
